Fall 2007

What is MOPS?

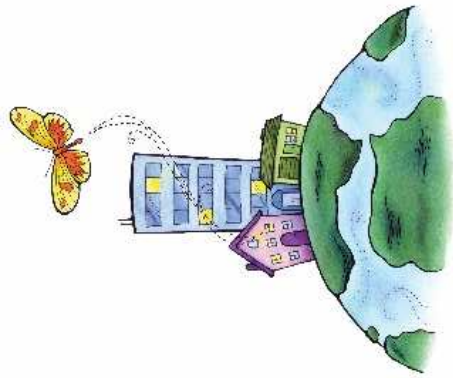

MOPS stands for Mothers of Preschoolers. The purpose of MOPS is to nurture every mother of children from infant to pre-schoolers. MOPS exists for every mom--stay-at-home moms, working moms, teen, single and married moms--moms with different lifestyles who all share a similar desire to be the very best moms they can be!

Where did MOPS begin?

MOPS began with eight women in Wheat Ridge, Colorado. The meeting took place in February 1973. The mothers talked, laughed and ate. Friendships were found, creative outlets were sought and the women began to understand that "mothering matters".

After incorporating in 1981, MOPS once again expanded its boundaries and became MOPS International in 1988.

What is Moppets

MOPPETS is part of the MOPS ministry program that provides care for infant through preschool age children. The children are given a regular schedule and standard activities keeping them engaged throughout the MOPS meeting time. They will enjoy free choice activities, craft projects, group games, Bible story time, singing/music and parent-approved snacks.

The MOPPETS ministry contributes to meeting the needs of the children, as well as the needs of their moms.

MOPPETS quality care and biblical teaching impact the entire family.

Let the little children come to me, and do not hinder them; for to such belongs the kingdom of heaven.
Matthew 19:14
