

U4IC San Francisco Missions Trip 2007

July 8 - 14, 2007

For one week this summer, let your heart and mind be blown away by the needs of others. Our suburbia life easily blinds us to the significant needs of others. Jesus calls his followers, Christians, to look beyond themselves and serve others. During this one week in San Francisco you will minister in the inner city and interact with children, homeless people, and elderly people; all of who know pain first hand. Boycott yourself for one week this summer and come serve in San Francisco.

What: One week in the city of San Francisco being exposed to ministry in the inner. Includes homeless ministry, food kitchen, children's ministry and elderly ministry.

Who: Any current high school student or student entering high school in the fall are encouraged to join us.

Where: We sleep, eat breakfast, and have group gatherings at a church in San Francisco. Each day we go to different ministry site. Every night we eat dinner at a different ethnic restaurant.

How Much: The cost of this trip is about \$400 per person. We believe that this trip is so important, that we are committed to not allow money to hinder anyone from joining us. So we have a "whatever you can afford" policy. Talk with Dale for more details. **How do I sign up?:** Let Dale Thiele (Youth Pastor) know that you are interested at: dale@valleysprings.org cell phone: 316-7119
